

# Weld Bench Fume Collector

Models WB-2000 and WB-3000

Work bench designed specifically for welding operations.

WB-3000

- Eliminates moving extraction arms over the welding zone.
- Meets ACGIH guidelines for capturing weld fume—150 fpm minimum capture velocity through the breathing zone.
- Increases workers' productivity and provides effective fume capture regardless of the workpiece position or size.
- Hinged side-wing panels accommodate longer workpieces.
- Ergonomically designed for operator comfort.
- Easy filter maintenance from clean air side makes filter changeout quick and efficient.
- Ultra-Web® FR cartridges filters, provide high filtration efficiency and longer filter life.
- MERV\* 13 filtration efficiency rating per ASHRAE 52.2-1999.
- Helps support OSHA Clean Air Standards.
- Quiet operation.
